BCS Professional *Examination*

BCS is the only chartered engineering body which awards internationally recognised qualification. The qualification is developed in consultation with the industry, thus equips the successful candidates with tools for quick promotion in career.

Entry Requirements:

There is no formal academic entry requirement, but the candidates are generally expected to be at least 19 years old and have UK A levels or Equivalent qualification. A candidate may start at a higher level if he/she can demonstrate adequate understanding of the lower level papers.

Academic level

Certificate	:	Year 1 of UK university honours degree
Diploma	:	Year 2 of UK university honours degree
Advanced Diploma	:	Year 3 of UK university honours degree
